Om Sri Sai Ram

SRI SATHYA SAI SEVA ORGANISATION, NAVI MUMBAI

Dr. Srikanth Sola, an ardent devotee of Bhagawan Sri Sathya Sai Baba, is a consultant cardiologist at Sri Sathya Sai Institute of Higher Medical Sciences in Bangalore. He completed his undergraduate and medical training in the United States, having studied at institutions such as Harvard, Stanford, and Duke Universities.

Dr. Sola went on to work as a cardiologist at the world famous Cleveland Clinic, the number 1 ranked hospital for heart care in that country.

Dr. Sola has received numerous awards for his clinical and academic work, including the honor of "One of America's top cardiologists" by the Consumers Research Council of America; "Who's Who in America"; and "Who's Who in Science in Engineering", amongst others.

Mrs. Shivani Sola is an MBA who was a former investment banker. She has worked in senior management positions with several of the leading banks in India, and has received multiple Best Performance and Best Manager awards.

Mrs. Sola then changed careers when Swami asked her to work full time as a spiritual counselor. She currently heads a busy spiritual consulting practice based in Whitefield.

Dr. Srikanth and Mrs. Shivani Sola moved from the US back home to India in 2008 when Swami asked Dr. Srikanth to work full time at His Super Speciality hospital in Whitefield. Their son studies in Swami's school in Puttaparthi.

The lives of these two wonderful spiritually elevated souls focus on love, selfless service, and submission to Swami's teachings.
