

Camden Taxis – A Luxuries Ride

A forerunner in turning taxi service into a grand business, **Camden Cab Service** has established its identity as the personal ground transportation industry in UK. The agency provides an entire bouquet of end-to-end long and short term car rental solutions through its fleet of 6500 cars across the country.

Camden Taxi is the world's most prospering taxi service. Even in chaotic mindless traffic snarls, the minis will zoom you to your destination in a jiffy. [Camden Taxi Service](#) is an ideal transport medium service available right at your doorstep. With a presence that marks its 50th year, mini cabs from the service port make up for the most trusted mode of transport in the city. With a network of over 500 cars and drivers, the service leaves no stone unturned in creating a long lasting relation. The boarding platform to avail the taxi service is located near the tram station and tube terminal. Supervised by eloquent tour guides and knowledgeable translators direct the tourists and passengers to the most adventurous gateways out of the city.

Camden Taxi service has a well oiled fleet of cabs and taxi services in all over the major metro cities and county hubs. The quintessentially consumer friendly business model allows room for a warm, hospitable service that also guarantees fair deals on fare, tour operations and hotel rates. **Camden Minicabs service** is tagged with most of the reputed travel agencies and cab companies.

Services provided

Camden Cabs Service agencies offer instant and advanced bookings on airport taxis, city cabs, local hire/rental cabs as well as outstation cabs. With a recorded journey of over 1,000,000+ taxi rides, the agencies have earned generous experience in the cab business in order to deliver what it takes. Cheaper fares than other commuting radio taxis, Camden Taxis have a reputation of venting flat rates for airport cabs in some cities. Bookings are open online and mobile application site. For kids and home makers, the fares can be paid later with service charges as credit. Camden taxi offers limousines, jeeps, executive sedans and GT sedans- a fleet every customer can choose from. Bookings are also available for premium cabs like BMW, Mercedes and Jaguar too.

Every cab is enlisted with a Public Carriage Office (PCO) license from the authorities. Every car boasts of a diverse range of luxury in addition to alternate cheaper options to ferry around the city. They also furnish complete details of the cab and the services offered like satellite navigation with tracking system, preferential rates, service & 30 day credit facility.

Miscellaneous Services

Camden taxis offer world class hospitality with exclusive services like babies pram on board, bags and trolley for heavy luggage, umbrella and raincoats for unexpected rain, GPS and Bluetooth connectivity to surf while you are being driven to your destination. The taxis also extend their service to help a passenger stuck with a hotel accommodation. All drivers are well acquainted with the other hotel facilities and are enlisted with the police station for safety. Passengers may avail the services accordingly, free of additional charges. Dedicated person is available to guide the passenger in meeting his expectations in the city.
